

Undergraduate Open Day Guide

Saturday 7 October 2023

**DON'T
JUST
STUDY
HERE**

BELONG

Welcome to Glasgow Caledonian University

We hope you find today useful in guiding you through the next exciting step - choosing a degree. Our Open Day will allow you to explore our modern and vibrant city centre campus and give you the opportunity to find out more about the extensive range of courses the University has to offer.

Academic representatives from the University's academic schools and representatives from various support departments will be on hand to answer any questions you may have. There is also a comprehensive programme of talks on specific subjects throughout the day, as well as tours of key facilities. Details are available in this guide.

Why not familiarise yourself with the campus and our accommodation facilities by taking part in our scheduled tours? Our three academic schools will also be providing tours of their specialised labs and facilities. For further information on what you can expect from the tours, staff and student helpers will be on hand to provide advice and guidance at our information stands situated across the campus.

We hope you enjoy your day at Glasgow Caledonian University, and remember to ask our student helpers wearing purple hoodies / T-shirts for directions or information.

Plan your day

- **Opening times:** The University will be open to visitors from 10am-2pm on Saturday 7 October, 2023.
- **Check in:** Make sure you register when you arrive and receive your Open Day Information Pack. This will help plan your day around visiting the information stands, talks and tours.
- **Campus tours:** A great way to see the campus without getting lost is going on one of our guided campus tours. You can also use the campus map on pages nine and ten.
- **Catering:** Our campus caterers, Baxter Storey will have outlets open during the day in the Sir Alex Ferguson Library and the George Moore building.
- **Post a photo to win a prize:** Take a snap on your own or with friends at our Open Day. There are various photo locations on campus, look out for these areas, including our large deckchair. Follow us on Instagram, @glasgow_caledonian_university and share on social media using the hashtag #gcuopenday to win Amazon vouchers that we will be giving away on the day.

Support services information stands, talks and tours

Talks for the academic school courses are listed on pages 5-7 of this programme. If you are unable to attend one of the scheduled talks then you can visit the relevant information stand for that course where you can speak to someone.

Safety on campus

It is important that you are aware of the safety requirements while on the campus.

If the fire alarm sounds please vacate the building by the nearest signposted exit. Do not use any of the lifts and wait outside until told by a member of University staff that the building is safe to re-enter.

Please comply with the 'No Entry' and 'No Open Day Access' signs around the campus.

Please do not touch any specialised equipment while on tours of facilities unless asked to do so by a member of staff.

If you require any medical attention please contact one of our Open Day Student Helpers or visit any of the University reception areas.

Please use hand sanitiser stations located throughout the campus.

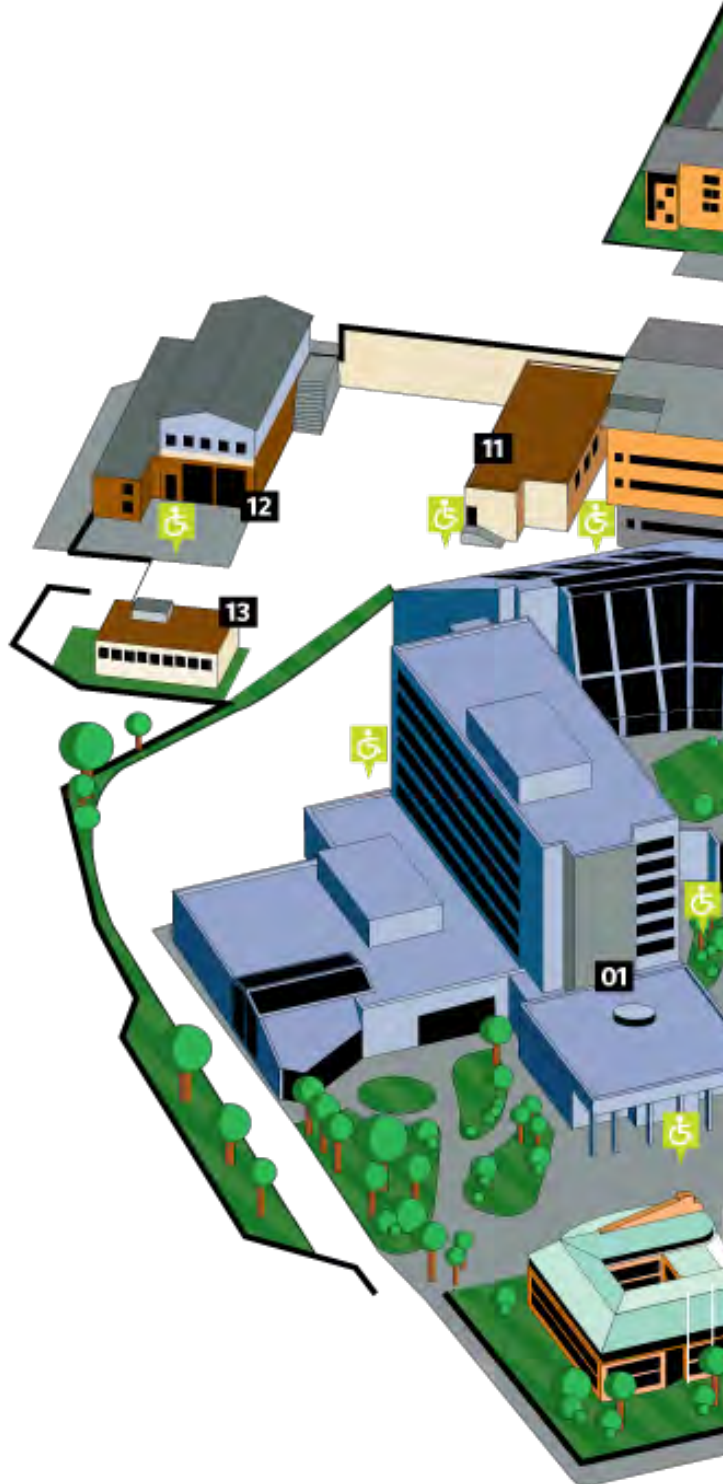

Please note: Filming and photography by GCU staff will be taking place at our Open Day. Please speak with the photographers if you want to withdraw consent.
